

Habitat for Humanity

House Build in:

Phil Campbell, Alabama

Call for general volunteers

March 12th week – Insulation, Siding, Sheetrock

March 19th week – Complete Sheetrock, Painting

March 26th week – Doors, Trim, Landscaping, Paint

April 2nd week – Flooring, Shelving, punch list, etc.

Habitat for Humanity will build a 4 bedroom home on Railroad Street in Phil Campbell. Habitat's looking for volunteers through April 2012. Above is the tentative time line and Habitat is working on specific duties laid out by the week and not the day. Keep in mind this schedule is somewhat flexible and allows for more to be accomplished in a time frame of approximately 45 days.

If you would like to volunteer for the Phil Campbell Habitat build, please email the day(s) you are interested in volunteering, # of volunteers and contact information for individuals as well as groups to debryan4@gmail.com. You can also contact David Cooper, Director, [Marion County] Habitat for Humanity at (205) 412-1626 to provide the above information or with questions. Starting time may vary depending on the task for each day, this will be confirmed when we are made aware of the date(s) you are looking to volunteer.

Thank you for your support!
